

Introduction to class:

- Welcoming students to class and the items needed to begin the hour.
- Clear statement of target today (reasoning for why we're doing what we're doing)
- Use of timer to regulate length of warm up
- Reminding students of TO DO's ie: Flashcards for Monday
- Roving throughout answering questions and assisting any needs
- "What I'm looking for..." for transition –

Flashitas:

- Clear directions and reminder of expectations "I will quietly reset my timer if I hear chatting."
- Timer presented on projector – clear visual on what time is left
- Class is very focused and quiet
- If we can't say these words we can't meet our target.
- Breaking down larger words
 - Recomendation: Creating visual cues for repeating

Escuchar:

- Reviewed back to target to tie in this activity
- Reminded students to keep vocab lists handy and that old verbs may be recycled
- Shortened sentences were easy to decipher and at a good speed
- "How many got all right?"
 - Recomendation: Writing a score on listening to provide feedback on success

Gustar Review:

- Strong participation and calling on students by name
- "Can someone help Zoe?"
- Clear explanations during review
- Asking to volunteers to review their sentences
 - Recomendation: Subjects with gustar sentences

Homework:

- Following up with target
- Homework log presented and copied
- Clear expectations set with discussion of punctuation and penmanship
